

First Grade Supply List

Spruce Run School 2018-2019

While we will provide most of your major school supplies, we have compiled this list of suggested items children will use in first grade.

Through **Responsive Classroom** Principles, we work to establish a sense of community. Many of our supplies will be stored and used collectively in our classrooms. Therefore, we ask that you not label items with your child's name. We have listed brand names in cases where we find the products to be the most effective for our purposes.
